"Entrepreneurial Empathy"

They Might be Big Words, But These Indian Lake Kids Know the Meaning of Both!

Handmade Worry Stones

"We made the worry stones originally so we could earn money to make a fort for all of our friends. We needed money to pay for it, so I decided these are things that I like so why not sell them. At first, I wanted to sell them to make money - but now I realize that it was more than for that, it was to make people happy in this sad time. "

President's Message

Hello ILCC Members,

I am writing this the day after Work Weekend and I would like to thank Greg Kraft for organizing another very productive weekend. It was great seeing so many ILCC members out there volunteering their time to get our properties and beaches in shape for the summer season. I would also like to give special thanks to Mark & Lisa Hanson for the incredible work they have done on the Franklin Road beach. The many hours of work they put in there has certainly paid off as I have never seen that beach look better.

By the time you read this our beaches will have officially opened for the season. The new guidelines that needed to be followed made this a monumental task this year, but beach trustee, Mike Simone, was on it from the beginning and we have put a plan in place that will adhere to the guidelines and allow us to obtain our beach licenses. I can tell you it will look different at all beaches this year however the new look is with the safety of all our members and guards in mind and all came from the state and town guidelines for social distancing and sanitizing. The new Beach rules for the summer will be sent out before you read this, but I wanted to mention we will be monitoring the updated guidelines and will begin to ease some of the restrictions we had to put in place as soon as the guidelines allow. No one wants to have playgrounds closed or picnic tables or floating docks removed, but we had no choice but to follow the guidelines given to us by town officials. We all want to have an enjoyable summer at the lake with our family and friends, but we have to do it with the safety of everyone in mind.

I would also like to thank everyone who has continued to donate to our Meal Delivery Program. As of this writing, we have delivered over 400 meals to seniors, first responders and those in need and hope to continue until at least the end of the month. Your generous donations have allowed us to continue this program and it is greatly appreciated. Additionally, I want to thank all those who have paid their 2020 Membership dues. As I have said many times, membership is the engine that drives the ILCC and we could not survive as an organization without our members. For those who have not joined, I would ask that you reconsider. If you are waiting "to see what happens at the lake this year", please do not wait. Rest assured- we will open everything we possibly can as soon as the guidelines allow.

Finally, I want to take this opportunity to recognize the passing of Bob Andersen back in January. Bob was an ILCC board member for over 20 years. He served many roles on the board, including swim program, beaches and membership as well as donating his time whenever he could. Bob and his wife, Magnhild, were also Mr. & Mrs. Indian Lake in 2000. They raised their three children here and he was so proud to call Indian lake his home. Bob certainly exemplified what it means to be an Indian Laker and we will be truly missed.

If you have an idea of how we can provide additional support for our members, or any ILCC resident, please do not hesitate to reach out to me by email at: ilccbobcovello@gmail.com, or just call me at 201-400-2784.

I look forward to seeing you all around the lake!

Sincerely,
Bob Covello, ILCC President

Smoke Signals

By Johari Fuentes

The good news is...

That Frank O'Leary still walks around town taking beautiful shots of flowers and all kinds of little Indian Lake secrets.

That he also donated his talent and gave away photo shoots to senior grads.

That many, many healthcare families and neighbors in need have received free meals donated by the club and its members.

That our community is still a volunteer community and rallied to get our lake areas ready for the new season during Work Weekend and beyond.

That many of our high school seniors keep showing such resilience, making the most of the situation by dressing up and celebrating in their own way. That Tracy Margeson Milne and Shannon Mayer, together with many residents, came together to make sure they all felt appreciated.

That Maureen Lewis-Krzyzanowski got us all into a solemn mood to Light up our Lake, driveways and hearts on June 6th to honor our graduates and loved ones.

That resident animal lover and Communications trustee Sandee Weiner helped us all be aware of turtles' migration and nesting journey with information and sweet signs.

That the Indian Lake Bistro sells tostones...

There is always good news on an Indian Lake day.

Happy birthday to our July people:

Continued health and happiness to Joey Arteaga who turns 9 on July 2nd and to Ryan Wong who turns 15 on July 7. Many more summers to Alex Longo turning 15 on July 9th and Joe Longo who turns the awesome 50 on July 18th. Dave Patton is turning 34 on the 13th, Mrs. Lake Lady– Jen Rabulan Bertram, sings on July 14th and Rita Traynor celebrates on July 16. Angelo Mania, will be turning 10 on July 19th, Girard Morris Jr. celebrates his birthday July 21 and Isabella Mattaliano will turn the big 10 on July 26th. Shae Katinsky's 5th birthday is July 26th and Amelia Alblas turns 12 on July 29th.

I hope all celebrate to their hearts' content.

One more clap out for some Indian Lake grads: Nicholas Wong and Anabella Zuffi graduating from Lakeview!

Last but not least, let's do the wave for Larry & Karen Plumb celebrating their 50th Wedding Anniversary on July 11.

Send me your August birthdays and/or your ideas to joharifuentes@gmail.com. Please email your birthdays with at least 30 days in advance every year. Did I make a mistake? I hope you consider it an honest one. See you around the neighborhood!

—Jo

Indian Lake Family Club News

If it was any other year, right about now, we would be enjoying our new beach toys, brand new bathing suits and gearing up for Fun Weekend. But, as we all know, this isn't any other year.

This might not be the summer we were hoping for, but I'm sure we'll make the best of it. As ILCC has shown over the last few months, we're all better together, even if it's from a distance. For a community as active as ours, social distancing isn't ideal, but it's necessary. More than ever, we've all been enjoying the outdoors, whether it's biking, walking, boating or kayaking. Personally, I've loved watching the colorful flotillas of kayaks and paddle boards on the water. If we have to social distance, what better place to do it than on our beautiful lake with friends.

And speaking of which, please remind your kids and family members to observe the rules on the water and on land, as we get through the regulations this summer.

If you haven't already, please remember to sign up for the ILCC Family Club for the 2020-21 membership year. Be on the lookout for the Google Form to enter your information.

Be safe and enjoy the warm weather. See you around the lake!

Jen Bertram, jenrabbert@gmail.com

HUGE ILCC THANKS

to every member that volunteered their time during May's Work Weekend! You came out in force and made a huge difference. As John Haywood once said, "Many hands make light work" and there were many, many, many hands this year. Cheers to all of you for pitching in. The gorgeous condition our properties are now in is proof of your hard work and dedication.

STAY SAFE ILCC

**We will get through
this together!**

Monkey Island FYI's....

Boaters know it as the starting and stopping point for tubing

& waterskiing... Kids know it as a fantastic kayak or canoe destination for their adventures. However, everyone needs to remember it doesn't clean itself. Parents- please tell your young adventurers not to drag sticks out and leave them all over the grass or throw them into the lake. The picnic table and chairs are for sitting not for jumping on and breaking. Boaters-please don't leave your empty cans there. Recycling doesn't pick-up at that address. Dog owners-please pick-up after your dog. Kids play all over the island and your dogs gift isn't appreciated when found on someone's foot. Please remember it is a community location and EVERYONE needs to help keep it as a place everyone can enjoy. :)

Indian Lake Men's Club News

Neighbors -

2020 continues to be a challenging year - as just when we think things can't get more challenging - more tests are put on us as human beings. As with all challenges, we can run away and wither - or we can learn, grow, change - and come out better and stronger than we were before. It is our strong sense of community that will get us through all of these challenges. We are all different - and that is to be celebrated. The different cultures and backgrounds of the people in our country is our greatest strength, and we need to continue to model accepting and supporting behavior of all people.

We had a very successful work weekend. The beaches look great, the grounds are immaculate, and we all got out of the house and saw some friends for a little bit. Please don't limit your efforts to only work weekend. If you live near one of the many right of ways and lake owned access points, every few weeks go out there for 30 minutes and tidy it up. If you are on the lake grounds and see some debris, pick it up and put it in a trash can. Teach your children how to take pride in their community. This will go a long way in keeping our lake the beautiful home that it is.

Please keep in mind that with the summer upon us - only ILCC members and their non- resident guests are allowed on the property. You have paid your dues, volunteered your time, and sweat out in the heat to make your community great. Please ensure that you are wearing your lake badges whenever you are on lake property. This will really help to ensure those that are helping to support the community are not being taken advantage of by those who are not.

I don't know about you, but I am ready to party down at the lake. With all of the social distancing guidelines in place - it really reminds me of how wonderful of a community it is that we live in with so many things to do with our friends. Hopefully this will happen sooner rather than later.

Stay safe and be well.

~Jeff Bertram, ILCC Men's Club President

WORK. PLAY. REPEAT.

Indian Lake Women's Club News

Here comes the sun (doo doo, doo doo) Here comes the sun, and I say- it's alright. There is something so special about the summer here at Indian Lake. We like to call it a staycation. People out walking dogs, riding bikes, on the beach and the sound of Andrew Alan taking his morning water ski. That tells us all, summer is here. No doubt we have had a rough couple of months but as the Beatles song goes, "Here comes the sun." The weather reminds us that life is still good, maybe even great.

We just finished ILCC's Work Weekend. The beaches look the best they ever have!! Thank you to all who organized and volunteered. In the past the ILCC WC has provided snacks and breakfast to the volunteers but this year we wanted to help our own community business and asked the IL Bistro to offer snacks and beverages on us. So, thank you to the IL Bistro for providing snacks and beverages to volunteers and for donating to those meals and to our club in appreciation for our hard work!

The Women's Club is still keeping busy, trying to make an impact and raise funds. Maureen Ski (as we like to call her) put together a really successful fundraiser "Light up the Lake". Thank you Maureen and for all those who participated, over 500 bags were sold. Rebecca Salinis our VP and "Ways and Means" has spiritwear on order. All new items, beach towels, beach bags, ball caps. You will be getting an email from the club about that as soon as the items come in. Just in time to freshen up your Indian lake logowear. You won't want to miss out on these limited quantities of new logo items. If you'd like to know what else we are up to, come to a meeting. Our meetings have moved, temporarily to Zoom. Contact our membership VP Joanne O'Leary if you are new or want to re-up your membership and want to join us. Joanne's email is Joanneoleary@mac.com. Thank you to all that keep supporting, keep volunteering and keep our community the way we love it. See you on the beaches!

Michele Rome and Lisa Hanson, ILCC Women's Club Co-Presidents
