President's Message

Hello ILCC Members,

Our Annual Meeting was held on Friday, September 24th with 61 members in attendance and several others listening in on Zoom. It was great to see so many people come out and listen to the various trustee reports on what was done throughout the prior year. There was also a nice Q&A session, with some great ideas on things we can try and do for the future. While the 20 members of the Board work very hard year-round to make our lake community the best it can be, we do not have all the answers and it is always good to hear ideas on what we can do going forward to make it even better. If you did not attend, I suggest to try and make the next one as it is a very informative session.

We are well into fall now and our lake is beginning to change and show the beautiful colors we all look forward to every year. Unfortunately, that also means the leaves will be falling soon and we will all be out there spending parts of our weekends raking them up. There are also some great Fall events on the calendar, so check your emails and come on out and enjoy some fun times with your neighbors.

This will be my last message as President as my term has ended. I would like to thank all of the trustees who served with me for all their support and efforts during my three years. Obviously, Covid took up much of our time over the past year and a half, but there were many other issues we had to deal with. I could not have done it without all the support and hard work of these great people. I would also like to thank the membership for supporting me and the Board through some tough times and the decisions we had to make due to the pandemic. For the most part, every message I received was one of support and encouragement. I hope the new President receives the same support during their term.

I look forward to seeing you all around the lake!

Sincerely,

Bob Covello

Smoke Signals

Article by Karen Covello

We enter November on our Halloween sugar high just in time to burn it off raking leaves and cleaning yards! As our good friend Athena once said, "The first cleaning out of the season is very important to us cleansing the energies around our home and on earth. It is cathartic." We can think about the changing of the seasons not as work, but as an important part of our existence. There is beauty in change. The ancient Japanese art philosophy of Wabi Sabi speaks of this beauty in transformation; appreciating beauty that is "imperfect, impermanent, and incomplete" in nature. During this month let us also be thankful for the community we live in. One can easily get sad and depressed listening to the news and problems of the world. But living here makes those problems feel as if they might as well exist on another planet and we are living in Pleasantville. Our community pulls together to help each other out anyway it can. We bond together like a logical family. The time, energy, work and the heart the members pour into this place makes it truly amazing. The energy and commitment that supports the lake is something special and we are so grateful we live in this place. Let us all be grateful for that. Happy Thanksgiving everyone!

As we settle into the holiday season with family & friends, there are a few fun things that the Fundraising Committee has in store for "this place we call home".

Transylvania outdoor movie night with snacks for sale (look for an email & post on our Facebook page with the date).

Get your tickets for Dueling Pianos which will take place on November 13th. This first-time event is not to be missed as audience participation feeds fun into the entertainment & drives the players to duel for our pleasure & delight!

December Babysitting at the clubhouse will take place on Dec. 10th & Jan. 21st. Grab the opportunity to get some shopping in or just take a break from the hustle & bustle. Your little ones will be cared for & entertained by ILCC's own! On the agenda is to teach them the Indian Lake song & dance to help unify their love of our community (2 yr old age limit & must be potty trained).

ILCC Gear will be going on sale just in time for the holidays. Be on the lookout for information on the sale of Adirondack chairs too. This would be the ultimate gift for your family & loved ones.

Spread some holiday cheer & join us in the time-honored tradition of Christmas Caroling on December 12th. The whole family is invited to this joyous occasion including snacks & drinks at the clubhouse. Dress festive & be ready to spread your joy, singing holiday tunes to unsuspecting neighbors who answer their doors.

The Committee is working to improve the property and waters, but are not holding official meetings November-January. Please join us on the 3rd Monday in February as we reconvene and start planning for 2022! Your ideas & thoughts drive this committee and we need to hear from you!

Indian Lake Family Club News

After a bustling fall, packed with school activities and festivals galore, here we are once again preparing for the holiday season! But before we deck the halls and sing carols, it's always a good time to reflect and feel gratitude. Beyond health and happiness for our families, I must say— I'm super grateful that we were able to enjoy a bit of normalcy around the lake this year. While things aren't completely back to normal, we are most certainly lucky to have had so many community events for our families to enjoy! So, thank you to our volunteers and families who have helped to make so many events come to fruition in 2021!

With that said, we're not quite done with events and fun for the year! We have a Friendsgiving event later in the month that we hope will gather families together for a feast. And looking ahead to December, we're planning our annual tree lighting for the first weekend of the month. As always keep an eye out for posts in our Facebook Group for events and request for helping hands. Our volunteers are the reason why we're able to pull off family-friendly events throughout the year. It takes a village after all!

The Tree Sale will run from Friday, December 3rd afternoon thru Sunday, December 5th morning at the Franklin/Seneca parking lot. Last year, trees were sold out by Saturday evening, so plan your weekend wisely!

Breakfast with Santa is currently scheduled for Sunday, December 12th at the clubhouse. More details will follow...

Can you believe it's November already?! The cool air has arrived, leaves are everywhere, and it really is such a great time of year!

We closed out October with our Fall Social at the clubhouse alla potluck style. Thanks to everyone for bringing a dish, and thank you to Lauren Shohen for doing such a great job putting it all together! It's always a good time when we can all get together and celebrate in person. If you missed the social, don't worry, our next meeting will be on Thursday, November 11th. We hope to see you there!

The holidays are upon us, and the ILCC Women's Club has a couple of great events to get you in the spirit this month. The Holiday Boutique is back, on November 20th at the clubhouse! Don't miss this opportunity to check out some great gift ideas from local vendors. We also have our wreath sale on November 23rd. Be on the lookout for an email announcement with the order form and all of the details. Place your orders quickly... we sell out each and every year!

At this time of year we are reminded to be thankful. Let's be thankful for our veterans who have served our country. Let's also be thankful for living in this great community where we come together and do great things. Have a Happy Thanksgiving!

"Each day is a gift, don't send it back unopened." ~ Matt Stevens.

Sincerely,
Antoinette & Maureen, Co-Presidents, ILCC Women's Club
