## *President's Message*

Hello ILCC Members,

As I write this message the Governor has just allowed State Parks and Golf Courses to reopen with social distancing rules in place, which I hope is the first step in getting us all back to some sort of normal life. While this is a great step, we all know this is going to take quite a bit of time. Yesterday, the Mayor opened local parks with the same social distancing guidelines, however playgrounds and other facilities remain closed. By the time you read this, hopefully many other things will have reopened (like beaches and restaurants) but they will all have social distancing rules attached to their openings.

I am telling you all this because as a Board we are monitoring everything that comes out of Trenton and the Town and will try and incorporate those openings with what we can do here in Indian Lake. The Board wants to reopen everything we possibly can as much as all of you do, but we need to do it in a way that keeps all of us safe. Again, hopefully by the time you read this we have been able to relax a few rules to allow people to enjoy the property in a safe way.

To date we have delivered approximately 200 meals to our seniors, front line workers and those in need, and by the time you read this we will be approaching 350 meals. I cannot thank you all enough for the donations that continue to come in daily in support of this program. This is truly an example of what the ILCC is all about. I would also like to thank all the volunteers of the Women's Club who continue to provide the Shopping for Seniors service. This is a great initiative and it is truly appreciated.

Recently, we lost a dear member of our ILCC family. Dotty Flynn was a member of the ILCC for more than 90 years where she raised her seven children and was heavily involved in lake functions. In a final act of true ILCC spirit, Dotty requested in lieu of flowers, a donation be made to the ILCC. As of the writing of this article, the donations have totaled over \$1,000. On behalf of the entire ILCC I would like to express my sincere condolences to the entire Flynn family. Dotty will be greatly missed.

If you have an idea of how we can provide additional support for our members, or any ILCC resident, please do not hesitate to reach out to me by email at [ilccbobcovello@gmail.com](mailto:ilccbobcovello@gmail.com), or call me directly at 201-400-2784.

I hope you all remain healthy and safe and I look forward to seeing you all around the lake (hopefully sooner than later)!

Sincerely,  
Bob Covello, ILCC President

**“As we say in the wetlands, ‘Ribbit-ribbit-kneedeep-ribbit,’ which means  
‘May success and a smile always be yours... even when you’re knee-deep in the sticky muck of life.’”**

**—Kermit the Frog in his commencement speech at Southampton College**

Dear class of 2020. If the last months have taught you anything about life, you now know that it is anything but predictable. The last days of school were nothing like you expected, and the uncertainty in everything around us might weigh pretty heavy on you. The parents and neighbors of Indian Lake hear you. We are feeling all the feels, we are mad, and we are sad.

And so, it makes perfect sense that we make June about you; the kids that walk into summer with masks on their faces and their big hearts ready to crush it out there:

## Graduating from Morris Knolls...

Standing ovation to Emily Meier (who also celebrates her 18<sup>th</sup> birthday on June 22), loyal Nick Mesa, and determined Molly Somogyi, who is headed to Providence College. Congrats to Daniel Halm who loves to rap, hard-working Jake Mendelsohn who will be attending CCM as he purses a degree in criminal justice, and to the extraordinarily capable Jackie Blumhoefer. Felicitations to friendly and outgoing Anthony Colucci, hard-working Mackenzi Furlong, and compassionate Hope Donaldson, who will be attending Seton Hall in the Fall in the field of nursing. Keep the applause going for the kind and creative Alyssa Gibbons going to Kutztown University, witty Jason Stein, and musical Peter Meyer-Pflug.

## Graduating from Valleyview...

Kudos to friendly basketball lover Keir Simon Jr., caring and funny Chase Hightower and Ashley Egan. Cheers to hard-working, swimmer and runner Emma Weldon, unquestionable leader Michael Simone and fun-loving Danielle Berrier. Keep it going for sporty and sweet Emily Condon, fun-loving Jessica Stein and Annabella Tecchio.

## Graduating from Lakeview...

All the very best to Anabella Zuffi! Congratulations to inclusive and good friend Dalmiro Dates, to Michael Facchiano and super friendly, kind and funny Ethan Zimmermann. Best of the best to the Smiley Sliders' singer, Brennan Scott, caring, smart and gentle Patrick Traynor and funny Andrew Lahey.

Applause to adventurous and thoughtful Brynn Weldon, spitfire Tessa “The Torpedo” Simone, good-natured Erin Nangle, athletic Niles Furlong, and imaginative CJ O'Rourke.

## Graduating College...

Accolades to brave and smart Devyn Somogyi who is graduating from Penn State University with a BS in Health Policy and Administration, and to confident Erica Prill from the University of Rhode Island. Congrats to dedicated Kate Laufenberg graduating from Roger Williams University with a BS in Architecture and continuing on for her Masters, and to tenacious Corinne Carmiche graduating from the Pennsylvania College of Art and Design. I am sure our future will be brighter thanks to you.

## June Birthdays...

June shines brighter for our neighbors with June birthdays: Sam Hilty will be 8 on June 14, Emmie Bleznick celebrates on June 16 and Michele Rome parties on the 17<sup>th</sup>. Owen Alblas turns 8 on June 20, Shannon Halm will be 22 on June 23, Nicole Halm will be 29, and Amelia Hilty will be 1 on June 28 (aunt and niece have same birthdays!)

Send me your July birthdays and/or your ideas to [joharifuentes@gmail.com](mailto:joharifuentes@gmail.com). Please email us your birthdays with at least 30 days in advance every year.

Did I make a mistake? I hope you consider it an honest one.

## Indian Lake Family Club News

Throughout the COVID crisis, there's been a common denominator among those steering the ship and navigating these uncharted territories. We've seen those at the helm not just helping and making guided decisions for the masses, but also employing those decisions with empathy and compassion. The Board of Trustees, aided by the Men's and Women's Clubs, orchestrated a wonderful meal program for Frontliners and those who need a little extra help. Week after week, it was lovely to watch these deserving families share their thanks, when, in fact, we were the ones thanking them. These kind and authentic gestures are infectious and make our Lake so great. And speaking of gestures, the Family Club was able to donate a number of handmade scrub caps to those helping out on the frontline. We appreciate you!

When the Stay at Home orders went into effect in March, we were met with uncertainty and frustration. Work became complicated. Remote learning was overwhelming. But, on the upside, this new-found time at home forced us to slow down. Our families went from packed schedules of work, play, sports and activities to endless time at home, completing projects, finishing puzzles and going on walks. Lots of walks. It might not feel like it, but it's time together we probably wouldn't have shared if it wasn't for this pandemic.

As we ease into post-quarantine life, we're not sure what this summer has in store yet, but I'm sure the choices made on our behalf are meant to keep our families safe and thriving. If you need any help or assistance, please don't hesitate to reach out. After all, it takes a village.

## Indian Lake Men's Club News

Neighbors -

I hope you are well and staying safe. It has been an unusual couple of months to say the least.

I want to thank all of the thoughtful messages that have been directed to the ILCC Men's Club for helping to support the meal program. Although we really appreciate it, we had little to do with this, other than donating money to get the program up and running. The reason we have the money to donate, is the support from our community. This is the reason we sell you Christmas Trees, Beer Bands, Clams, T-Shirts, and throw events where a ticket is required. We want to ensure that we are able to help whenever our community needs it. Your Lake Trustees have handled this program from concept to implementation - and they deserve the recognition for it.

I've heard many people talk about "not being able to wait to return to normal". Although I understand the intention, I don't want to go back to normal. I want to go back to better, stronger, nicer, more empathetic, more caring. Based on what I have seen in our community over this time - I know it's coming and I can't wait to get back to "better".

Lastly - if you have not joined the lake yet - please do. I know there are many concerns about what we will actually be able to do this year. I have the same concerns, but the bills for the lake still come due. If we want our wonderful community to continue - we have to support it the same way it is supporting us.

Be well and stay safe,  
~Jeff Bertram, ILCC Men's Club President

## WORK. PLAY. REPEAT.

## Indian Lake Women's Club News

*What the Corona!?!?!?*

Welcome to summer! June is here and so is the beautiful weather.

The ILCC Food program for seniors and healthcare workers has been working very well over the last few weeks. Thank you to the participating restaurants, to all who support this program and to those who are running it. Helping those who really need it is truly appreciated by all. Other than the food program, there really isn't much news to report yet. Please stay tuned for more news on our summer events as we will let you know what changes may be on the horizon.

We sure do miss seeing everyone, so we are going to attempt a virtual group meeting for our Women's Club and we'll write about that in next month's Crier since this now may be our temporary mode of communication for the time being. It's not often we get a break in life so to speak, now maybe we can all take this time to enjoy what we can, help others where we can and be our best selves.

Until gatherings happen again, we are looking forward to seeing everyone again soon and may you all stay healthy and safe until then. Hang in there!

Michele Rome & Lisa Hanson, Your ILCC Women's Club Presidents
