A Beautiful View from West Shore During Indian Lake's Frigid Weather!

It's pretty, but if you feel like skating or walking on the ice, please remember to never go alone; dress warm and be careful!

President's Message

Hello ILCC Members,

I hope you all had a wonderful holiday season and a Happy New Year. I am looking forward to a great 2022!

January usually brings a chance for us to get out and ice skate on our beautiful lake, but I would like to remind everyone to do so safely. Indian Lake is man-made with water continuously moving under the ice, and that movement can affect the thickness of the ice in different areas of the lake. One area may have very thick ice and be perfectly safe for skating while another area not far away may not be as thick or as safe. This is why it is particularly risky to skate after dark and you should always stick to the buddy system (never skate alone) and to areas you have determined are thick enough. Keep in mind that it is impossible for the Board of Trustees to say that areas of the lake are always safe for skating which is why our policy is that members are always welcome to skate on our lake, but they do so at their own risk. We also have a strict policy against drilling into the ice, doing so makes it even more dangerous to venture on the ice. Ice fishing is not permitted on any portion of Indian Lake! The Board also maintains a policy that no form of mechanized devices, such as ice boats, snowmobiles, etc, are ever allowed on our lake! It's just too small for such devices to mix safely with skaters. So, I encourage all ILCC members to enjoy Indian Lake at her winter's best, but please make sure you do so with caution and common sense. We hope that Mother Nature cooperates and allows us to have the Ice Regatta again this year. It's truly a great event for all members filled with ice skating races, a roaring fire pit and much more!

We do plan on hosting numerous other events this year and trust that the everchanging environment allows us to do so.

If you have an idea of how we can provide additional support for our members, or any ILCC resident, please do not hesitate to reach out to me by email at ilccscott@gmail.com, or call me at 862-209-0173.

Have a great winter and see you around the lake!

Sincerely, Scott Dixon, ILCC President

Smoke Signals

BY MICHAEL & JAMIE CARTUS

Since your last Smoke Signals read we have sprung into a new year. The year 2022.

Do you remember what all those predictions were from when we were in elementary or middle school about this time? I do. Some were pretty darn scary. Some were extremely enlightening - those of environmental predictions, for example. Those predictions plunged us into changing our behaviors; developing more efficient ways of travel, speaking up about our concerns, daring to question the way we do things. And that's what I'd like to talk to you about in this month's issue.

Daring Greatly.

As Brene Brown says in her book, "Daring Greatly we must dare to show up and be seen. This is vulnerability. This is daring greatly. What drives our fears of being vulnerable? What price are we paying when we shut down and disengage? How do we own and engage with vulnerability, so that we can start transforming the way we live, love, parent and lead?"

This past year, I've come to some really enlightening realizations. I was hiding. Hiding under the fears of what people thought of me...or what people would think of me if I said this...or did that... But that fear was stopping me from living to my true potential. And when we stop ourselves from doing that... well, what is there left? Just the daily tasks... the "doing the best we can's..." ...Not the GREAT. We all have superpowers. But some of us are not tapping into them. What superpower do you have inside that you are too afraid to put out there into the universe? What change can you make in this community, in this town, in this state, in this world... that you are too afraid to speak out loudly about? What should you be daring greatly about?

When we look at the doers of the world, it's easy for us to judge them. It's easy for us to point out what they could have done better or differently. Being an observer is a lot less scary than being a fighter. But it is the fighter, the "man in the arena" who is making the change. Even if it's not perfect. Even if he/she fails, again and again. I refer to Theodore Roosevelt's speech "Citizenship in a Republic" given in 1910, Paris, France. "It is not the critic that counts. Not the man who points out how the strong man stumbles. Or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena. Whose face is marred by dust and sweat and blood; who strives valiantly. Who errs, who comes short again and again. Because there is no effort without error or shortcoming. But who actually strives to do the deeds; who knows great enthusiasms. The great devotions; who spends himself (and I'd like to add "herself") in a worthy cause; who at the best knows in the end the triumph of high achievement. And who at the worst, if he fails, fails daring greatly..."

Our subclub organizers dare greatly. Our trustees dare greatly. Our club officers dare greatly. And those who offer their solutions in meetings dare greatly. Not the critics. Consider this: rather than being an observer or worse yet, a critic, can you help the man in the arena? Can you be the man/woman in the arena? Are you sharing your superpower with our great world? Because this world needs you.

Indian Lake Family Club News

And just like that, the holidays have wrapped up and we're underway into 2022. A huge thank you, once again, to the Men's Club for donating a Christmas Tree for the gazebo and for helping us make more memories on our lake. Many kids and families came out in December to help us decorate and light things up at our Tree Lighting. It was a beautiful way to punctuate 2021. Though this year seems to be as uncertain, we're hopeful that things will stabilize and we'll be able to have fun events soon. We're currently working on our events calendar for the year, and would LOVE to include your ideas or events that you may have run last year.

As always, we are looking for volunteers to help run and head up our fun events. Without our volunteers, we cannot host events and fundraise for the lake. Like so many of you, we are busy with work, taking care of kids and juggling sports and activities. If you enjoy hanging at these family-centric events, I urge you to come and help, even if it's just a few minutes to help clean up.

Please be sure to reach out if you are interested in hosting or helping with an event!

We may be hosting a family-centric art event in February, depending on how things look around us. Keep an eye out for updates on our Facebook Group.

Indian Lake Men's Club News

February greetings to everyone! Is there anything as beautiful as a fresh snowfall on a lake morning? Every time I see kids sledding down neighborhood hills or skating on a cleared off patch of ice, I'm reminded how lucky we are to live here and get such distinct seasons.

To recap some recent events - Thanks to Chip Morris and all the other volunteers who helped pull off our annual Christmas Tree Sale - we sold more trees than ever before. My own tree is still so fresh as I'm writing in January that it might just make it to when you read this. Likewise, thanks to Jeff Eckhard, the Somogyi family and everyone else who helped organize and cook for our annual pancake breakfast with Santa and his elves. I know it was a relief to have this great tradition back after missing last year. I even overheard the big man himself say that the decorations and food were better than ever this year.

The ILCC Men's Club is looking forward to bringing some more great events for you to enjoy in the month ahead...

For example, on Sat, 2/5 we will be hosting a brand new event- our Family Night Italian dinner. Frank O'Leary is spearheading this which will include a family style meal and potentially Indian Lake's largest ever game of LCR. (left, right, center)

On Sunday, 2/13, the Men's Club will be hosting our annual Superbowl party down at the clubhouse. Come down and join your neighbors and friends for the big game!

Finally, thanks to the work of Scott Brennan, we have our first Comedy Night of the year scheduled for Saturday, 2/19.

Thanks to all of our members whose talents let us bring these events to the lake. Keep an eye out for details and I'll see you all around the lake soon!

Kevin Borecki, ILMC Vice President

WORK. PLAY. REPEAT.

Indian Lake Women's Club News

We hope everyone had a very happy holiday season, and we wish you a joyous and healthy New Year!

We were very busy at the Women's Club this holiday season with fundraising events in full swing! We had our Wreath Sale, Indian Lake Calendar sale, and the ILCC Gear Fundraiser in December. Special thanks to our members who chaired these events during such a busy time of year - Terri-Lee Paradise, Lisa Hanson, Anne O'Brien and Sue Sammond, thank you for all that you do!

Lauren Pannucci stepped up again this year to run the Holiday Food Drive sponsored by our club. Our community collected over 300 pounds of food which was donated to the Interfaith Food Pantry in Morris Plains. Thank you Lauren for spearheading this event for such a worthy cause. Special thanks also goes out to Sue Elko and Karen Plumb for organizing and hosting our Christmas Social; a great time was had by all!

Unfortunately, we decided not to have our Winter Wine Tasting Event out of an abundance of caution due to Covid. Our next event is BUNCO on February 25th at the clubhouse; The doors will open at 7pm, play starts at 7:30pm. Cost is \$15 for residents and \$18 for non-resident guests. Cash will be collected at the door. Reach out to Maryanne Fisher at maryannefisher28@gmail.com to reserve your spot by February 23rd.

We have lots planned for the upcoming year, and we hope you'll join in on the fun. In the meantime, stay safe and warm, and we look forward to seeing you at the next club meeting on February 10th at 7:30pm.

Best Wishes,
Antoinette and Maureen
