President's Message

Hello ILCC Members,

There are a few weeks left in the official ILCC beach season, and I hope everyone gets out and enjoys these last days of summer. It seems like we just got everything ready for the beaches to open, and now we are preparing to put everything away on Labor Day. Time surely does fly by. I would like to thank each and every member for joining this year, and I believe we may have set a membership record. As of this writing we are at 647 member households, which eclipses anything we have seen in the past couple decades. Also, 85 High Power, 48 Low Power and 984 Non-Power tags have been distributed this season. As we all know, membership is what drives everything we do in the lake and we could not do it without all of you.

On July 27th we held a lake management meeting at the clubhouse and approximately 50 members attended. We had a representative from our water treatment company give an update on the chemicals he uses to treat the lake and answer questions from our members. We also did a review of the aerator installation and bubblers, and what we are planning to do in the future to help the overall condition of our lake. I have heard from many of you who have told me they have seen an improvement in the appearance of the water and we hope to continue that trend. More work needs to be done, and that will involve fundraising, so please if you see a fundraising event being held, please do get involved.

The HUB Lakes Sports season is winding down and hopefully we are on our way to another overall championship (22 in a row?). With our strong 2nd place showing in HUB Swim, we should be in good position to continue our record streak of championships. Heck, 13 year-old Nicholas Tecchio even set a new record for his 100IM even though his speedo fell to his knees on his dive in. But just like all ILCC members, he never gave up (or broke his stroke) and killed it! Huge thanks to Jeff Bertram for coordinating all the teams this year.

Our annual end of summer event (Margaritaville) is only a few short weeks away on September 3rd and hopefully you have all secured your tickets for this great event. The Men's Club will be hosting their annual Golf Outing on September 10th and is currently looking for golfers and sponsors. This is always a great day and hopefully we will see you out there.

If you have an idea of how we can provide additional support for our members, or any ILCC resident, please do not hesitate to reach out to me by email at ilccbobcovello@gmail.com, or call me at 201-400-2784. I look forward to seeing you all around the lake!

Sincerely, Bob Covello, ILCC President

Smoke Signals

BY MICHAEL & JAMIE CARIUS

As the sun finally starts to set on summer, we hold on to the warm weather and get back into the school routine. Vacations have wrapped up and our tan bodies and lightened hair are evidence of another great summer. The warm days and cool nights of September make it one of the most enjoyable months of the year. But it can be a bittersweet time as we reflect on how short the summer season really is. We already start thinking about next summer as our children obsess over what they are going to be for Halloween. As we hang on to the last moments of summer, we are rewarded with the beauty of September skies. Let's all make sure to enjoy some S'mores around the fire pit this fall! See you around the lake!

Please send your October Birthdays and Celebrations to: ilccsmokesignals@gmail.com.

The purpose of the "Fun"draising Committee is to improve the waters and properties of "This place we call home." We meet on the 3rd Thursday of the month (excl. Aug.) at the clubhouse (inside or outside depending on weather) at 7:30pm. If you have any activities or fundraising ideas, please just show up or you can email us at ILCCFundraisingCommittee@gmail.com. If you would like to support our cause, even the smallest donation can make an impact. Speaking of donations ... thank you to **Paul Rankin** for his good will donation to our committee!

We would like to extend our congratulations to **King Joe John & Queen Charlotte**. The action packed King & Queen weekend festivities never fail to impress and are a marvelous way to include all generations involved in this decades old tradition.

On 8/22, we concluded our 2nd annual swim series. A special thanks to **Betsy Rynkiewicz** for orchestrating all three races. Remember, "All it takes is what you got!" **Boot Camp** concluded and I heard someone whisper, "It's not pain, it's exercise-induced discomfort". **The Gym Class** was enjoyed by many of the kiddos and the feel good endorphins created grins all around the lake. Thanks also, to **Michelle Wadleigh** for leading the **Mindful Meditation** group. Join in on the fun the next time and be on the lookout for these classes next spring. Oh! Let's not forget to thank **Timothy Hilty** and **Rich Mayer** for building all 6 new tables and benches! AND, a huge thanks to **Quarter Pound Jones** for a GREAT night out!

New improvements that you may have seen recently are six new picnic tables placed down at the clubhouse (thank you **Timothy Hilty** and **Rich Mayer** for building them!).

Indian Lake Family Club News

Another amazing summer is in the books! And what an incredible summer it was! We wrapped up another summer at the lake with a throwback and renewed event, the Lip Sync Luau. It was as much fun preparing for this fun event as it was watching it! Great job everyone, and a huge thanks to Lauren O'Neill and Laura Flynn for spearheading this great gathering.

As the leaves start to turn different shades of red and orange, the lake settles but the community continues to bustle. Fall sports are back, as is the nightly home-work, but our common refuge at the lake awaits us all on the weekends. We have quite a few fun events in the works this fall, with our Fall Fest making a return on October 16th. Join us for this outdoor family event that features plenty of games, treats and music! Watch our Facebook Group for other upcoming events!

See you at the lake!

Indian Lake Men's Club News

As summer winds down around Indian Lake, it's nice to know that there are still many events and outings to look forward to.

On Labor Day (Monday, Sep. 6th), come join the members of the Men's Club for a full slate of activities. At 11am come out to Fireman's Field to watch (or better yet play in) the annual softball game pitting your Men's Club members against the Indian Lake softball team. The Men's Club team is riding an impressive streak in the series – we'll see if we can keep it going. After the game, everyone is welcome to join us down at the clubhouse for a BBQ with food and drinks. New this year is a water show, featuring wakeboarding and water skiing on the lake. Don't miss it!

Whether you're a scratch golfer or you only get out once a year, the Men's Club Golf Outing (Friday, Sep. 10th) is probably for you. As both our biggest fund-raiser of the year and one of the best opportunities to get to better know your friends and neighbors, it's a great event. This year registration includes breakfast, a round of golf, as well as a full lunch. Look for details in an email or see an officer for details on how to sign up, either with a foursome or as a solo player.

Keep your eyes open for other events that are forthcoming including hopefully the fall outdoor comedy show, and the return of Monday Night Football. Our annual members' dinner, including elections, is scheduled for our October meeting.

As always, thanks to all those who help make our events so successful. All of your hard work and sacrifice are what make this lake such a wonderful place to live and play.

See you around the lake,

Kevin Borecki, ILCC Men's Club Vice President, indianlakemensclub@gmail.com

WORK. PLAY. REPEAT.

Indian Lake Women's Club News

As I write this, one season ends and another begins. The fall season brings more events and activities for all to enjoy. That is our one constant in Indian Lake....no matter what the season, we always have fun! I hope you all had fun at our wine tasting event, special thanks to Sue Elko for all your efforts on another fun night! As fall weather brings a change in temperature the ILWC changes with new officers to our club. We elect members to take on important roles and responsibilities as we begin our new fiscal year. I would like to extend a huge thank you to Lisa Hanson, who has completed her term as Women's Club Co-President. I could not have asked for a better role-model. Thank you for showing me the ropes and guiding me toward the role of 1st Co-President. Lisa steps down as president but remains an active member of the women's club as hospitality. I am grateful for everyone who so graciously stepped up to fill the various roles needed to successfully run the Women's Club. I know we will continue to make our club a success. We have several events this month. September 11th marks 20 years since the attacks on our country. Please come together as a community as we "Light up the Lake" as a memorial to honor those who lost their lives on that tragic day. Kits (5 bags w/ lights etc.) will be for sale starting September 6th. Please email or text Maureen K for more details. (maurenski32@gmail.com/ 973-479-3869)

On September 19th we are so happy to have our ILCC House Tour return! This is a wonderful chance to see various houses that make our community so unique. Please contact Paula @ 201-572-3697 or email: pv_kenah@yahoo.com for more details.

We move forward in our ever-changing world with wisdom and knowledge learned from those who came before us; continuing the traditions we know with the changes we make. Taking each day as an opportunity to do better for ourselves and those in our community. Take my challenge and attend a meeting! Find out what we do.. (and all the fun we have doing it!) Ask not what the Women's Club has done for you, but what you can do for the Women's Club!
