President's Message

Hellooooo... **Indian Lake!**

What a great start to our 2017 Summer season! The weather has truly been amazing. As I write this message, we just had a wonderful July 4th celebration. It was a great day to take in everything the lake has to offer from the beauty of our flare ceremony, awesome weather and some spectacular parties all in celebration of our great country's birthday! I almost forgot... there was even a wedding proposal. As I look across the lake I can see Fun Weekend 2017 staring back at me. This awesome event was in the capable hands of none other than first year Sports Trustee, Scott Dixon. Scott is under immense pressure, however as some of you have witnessed Scott is a clutch Beer Pong Champion who I know can handle the pressure and would never let us down. When you see Scott, thank him for all his hard work. Now he didn't do it alone, it's important to acknowledge all the support our great Sub-Clubs, fabulous life-guards, Beach Manager, ILCC Patrol and the countless volunteers provide to make it a safe, exciting, and an incredibly Fun Weekend!

Speaking of volunteers, it's appropriate to mention that you have a tireless Board of Trustees who give a great deal back to the ILCC along with many other volunteers within each of the Sub-Clubs. My ask is simple, never lose sight of the fact that we are all volunteers, with full time jobs and active family lives. Your Board of Trustees and Sub-Club volunteers do not get paid, yet they keep coming back often thanklessly. With that said, I'd like to remind you that we are still looking for potential Trustees to fill a vacant position. Please contact Ron Toffolo at ron.toffolo@gmail.com if you are interested in joining the ILCC Board of Trustees.

As I've mentioned in prior messages, it is up to each of us to ensure only members use lake property. That includes the lake, landings, beaches, clubhouse, playground, athletic courts, parking lots and all lake owned dock structures. Your membership pays for all of these items, so if you see a trespasser speak up and don't hesitate to call the police. The ILCC Patrol cannot be everywhere. In addition, the ILCC Patrol is actively claiming untagged boats. If your boat still isn't tagged you can expect it to go missing as it will be viewed as ILCC property.

Thank you to all who have joined or paid their Fair Share Upkeep! While I cannot disclose our membership number until the Annual Meeting in September, I am happy to let you know this GREAT LAKE has hit a new record! It's amazing to see so many people realizing the value that this lake brings. Speaking of value. Many of us visit the clubhouse regularly and couldn't imagine ILCC life without it. This is what led to the genesis of the Clubhouse Renovation Committee. As many of you saw at Fun Weekend the Board of Trustees are evaluating the potential for a renovated clubhouse. The fact is our nearly 100 year old structure will not stand forever and band aid repairs will only do so much. In the near future, we will need to make some decisions about our beloved clubhouse and the architectural plans on display are an example of what our club *could* be. While there are no final plans and a great deal is yet to be discussed, the Board acknowledges the importance of having a succession plan for the clubhouse.

Lastly, it has been a month since a dear friend to this lake passed. Current ILCC Accountant and past President Bert Trien left us far too soon. Indian Lake will miss Bert who himself, was also a great volunteer. On behalf of the ILCC Board of Trustees I thank him for his years of service. Please keep Bert and the entire Trien Family in your thoughts and prayers.

Kind regards,

Mike Gavin, ILCC President

Attention: There is an open position on the ILCC Board of Trustees for a District Trustee from District 1.

If you are interested in being considered for this challenging, volunteer position, are a member in good standing of the ILCC and live in District 1 in Indian Lake, (see www.indianlakenj.com for the district map), send an e-mail to ron.toffolo@gmail.com with your name, address and why you are interested in joining the board.

It's a beautiful day in the neighborhood, a beautiful day for a neighbor...

We talk in our front yards, children play on the street, people mow their lawns, and we meet at the beach. Indian Lakers are what make our neighborhood a living community. We are more than just a group of houses!

Living here means we have the comfort of knowing what is happening in the neighborhood and we have the added security of knowing we can rely on people for help. It means we have the personal pleasure that comes from being around people we like and are friends with.

Being a good neighbor helps make your neighborhood a better place to live and neighborhoods with an active social life can make you stay healthier and happier. So let's thank Fun Fridays for our health and joy!

August is here! A whole new month to enjoy the summer before (dare I say it?) school! The many memories of a new awesome season at our lake are still shiny and present so stay safe and enjoy the rest of the summer!

Congratulations to Chloe Lyden! Chloe graduated April 29th from Jacksonville University with a degree in communications and a minor in art. Currently Chloe is interning for YELP in Florida. ILCC wishes you all the best, Chloe!

Congratulations to Daniel Wessels! Daniel graduated in May from Stony Brook University on Long Island with a Bachelor of Science degree in pharmacology. He is currently doing an internship with Feinstein Institute for medical research on Long Island. ILCC wishes you all the best, Daniel!

Ryan Martinsen, the son of Eileen Hennessy and nephew to Bob and Donna Hennessy, proposed to Rebecca Smith on the 4th of the July on the Hennessy's dock. Across the lake, at the Lydens, Ryan had a 26 foot sign with lights spelling out "Will you marry me?" and she said YES! Congratulations to the happy couple!

The Halm family would like to extend their appreciation for all the love, prayers, support, dinners, cards, gifts, and visits for Shannon during her recovery. Shannon is now doing amazingly well for which we are thankful!

Indian Lake Men's Club News

Hello Indian Lake,

I hope everyone had a safe and happy 4th of July. The weather was the best I can remember in a very long time. Waterside flares lit many lakefront properties as they do each year and we should consider ourselves very lucky to be able to watch the Gardner Field fireworks right from our clubhouse grounds.

Speaking of great weather, our Fun Weekend also had amazing weather which was enjoyed by a large crowd both days. A great time was had by all and many thanks go out to all those who helped make it a success!! The Men's Club beer tent set a new record for sales and all the other clubs did a great job with their own fund-raising efforts.

Sadly, we have lost another long time member of our lake. Former ILCC president Bert Trien was an active member of our lake who will be greatly missed. Our thoughts and prayers go out to the entire Trien family.

Upcoming dates to remember are the Men's Club Golf Outing on September 8th and on October 14th we will be enjoying the Octoberfest.

Enjoy the rest of the Summer!!

Chip Morris
ILCC Men's Club President
