## President's Message

*Hello ILCC Members,*

*The summer season is here and that means lots of events will be happening at the lake. The Spring Cocktail party was a huge success, with 50 new members attending (a record) and another 170 or so members made for a great night. Special thanks to Beth Tecchio for planning the evening.*

*Now we turn our attention to the beaches opening on June 15th, and swim lessons beginning on June 24th (this year with a couple of evening sessions). The ILCC patrol has started their patrol of the lake and club properties to ensure that all boats on the water and on the grounds are properly tagged. Lifeguards will also be checking badges down at the beaches, so please have them with you when you visit the beaches. We have noticed many boats on the racks that are not properly tagged, so please put your new tags on as soon as possible. If you are not joining the lake this year, please remove the boats so there are more spaces available for members.*

*Fun Weekend will be held on July 13th and 14th this year and we have lots of great events planned to make it another memorable weekend. As a reminder, King & Queen (and Mr. & Mrs. Indian Lake) voting will be held all day on Saturday in the Club Room so please stop in and vote. King and Queen weekend will take place Friday July 26th through Sunday July 28th.*

*The first meeting of the newly formed Bay & Lagoon Committee was held at the end of May and it was great to see so many members come out and offer their help in dealing with the issues we have in our back waters. Lots of great ideas were discussed and we are currently exploring our options to determine the best course of action. Updates will be provided as we progress through the process.*

*Finally, as mentioned in the June Crier, the board is in the process of investigating the Planned Real Estate Development Full Disclosure Act (PREDFDA) to determine our course of action going forward. While we are just in the beginning stages of the process, we are working with counsel and will provide updates to all residents as warranted.*

*I look forward to hearing your ideas and feedback, so please feel free to email me at [ilccbobcovello@gmail.com](mailto:ilccbobcovello@gmail.com).*

*I look forward to seeing you all around the lake!*

# Smoke Signals

By Johari Fuentes

"What unites people?" Tyrion Lannister asks the group of Westeros representatives gathered to decide his fate.

"Armies? Gold? Flags? Stories. There's nothing in the world more powerful than a good story. Nothing can stop it. No enemy can defeat it.

The ongoing conversation in our heads, what we create daily, is our story. There is the one we know is true, the one people perceive and the one we would love it to be. We also create stories of what others go through. We imagine what it is to experience what they do and invent scenarios in which we do it differently, better, worse. Then, (the director calls "Cut! Back to one!") and we get a new day. Same set, most of the same cast and the opportunity to edit and rewrite with each new step on the stage. There are plenty of supporting actors ready to jump into character: new neighbors, the door-to-door sales person, the guy honking his horn behind you in traffic. I for one, have been trying to 'fake it til I make it' by being nicer to myself and to others. The first one, always the harder one. And so, I decided to have a conversation with the screenwriter and give her some pointers: My role now is to "lead with empathy". So far, it has brought me new scenes, new background, new score and while it can be scary, I get energized by the promise of a new set on location (beach, please!), new mysterious characters and plot twists. I'm hoping I get to add one more fun summer at the lake to my story, full of memories, sun and the neighborly people I love. End scene!

One story that developed nicely last year was the creation of the ILCC Dog Chasers group. And so it happens that you can get your doggy to help since they are recruiting additional members. If anyone with a dog would like to join, please contact Jennifer Stone at BlueSkies@gmail.com. The all-volunteer program was able to significantly reduce the amount of geese poop on the ILCC lawns, beaches and docks. (Yes, poop).

The requirements are: 1) A current Denville dog license, and 2) A completed application.

Your dog will be issued an orange vest to be worn whenever your dog is on ILCC property.

## Indian Lake Family Club News

As soon as school lets out for the summer, perhaps, the coolest rite of passage as an Indian Lake kid is spending endless hours at the lake. Whether it's every morning for 3 weeks at swim lessons or every day at swim team practice or playing on the playground with friends, our lake truly has something for everyone. The best part of summer at the lake? Making memories with lifelong friends.

The ILCC Family Club is excited to launch our inaugural summer with a few upcoming events. Currently in the works, we are planning a kids' triathlon at the lake. Be on the lookout for more information and sign ups. We're gearing up for Fun Weekend, where we'll have some fun fundraisers.

Many thanks for our volunteers and supporters who have stepped up to build the playground and generously donate to our cause! We appreciate you!

## Indian Lake Men's Club News

Neighbors,

It's FUN WEEKEND MONTH!!! For those of you who have never experienced Fun Weekend, clear your calendars. It is not to be missed. This year we listened to the voice of the people and have a big announcement - The ILCC Men's Club will have 4 different beers on tap for 2019! All day beer bands are \$15 and the clams are back as well for \$8. However, some of the regulations have changed, so there will be a pay station set up immediately next to the beer tent. Here's how it will work:

- 1) Anyone who wishes to purchase beer will first have their ID checked and receive a "21 and up" wristband.
- 2) Member badges will be checked to ensure you are a member. If no badge, we will force you to go in the slow lane and be manually checked off the member list from the lake. We are manning this station with workers from the MVC, so please bring your badge if you don't want to be in line for an hour.
- 3) If buying a single beer or clams, pay at the pay station, and we will give you a token to turn in to the volunteers for your purchase.

As always, we need volunteers to man the beer truck, and serve clams. A couple of hours is plenty, and it is pouring beers (one for you and two for me). Lots of fun!

Keep an eye on your email and the Men's Club Facebook page. We will send out a sign-up genius to make sure we have all the slots covered.

## Indian Lake Women's Club News

After a very rainy spring we are all excited to be down at the lake soaking up the sun!! There is something so special about the summer here at Indian Lake. The sounds of kids playing, people laughing, and boats buzzing by in the water.

One of our favorite parts of Summer here at the lake is Fun Weekend. Thank you to everyone who stopped by the Women's Club tent to pick up your ILCC swag designed by Johari Fuentes. We were very excited to introduce our Monkey Islands Shirts this year as well designed by Heather Kemp. We also would like to thank Lauren Aitchison for working tirelessly to get ready for fun weekend and of course to all of our fabulous members who either helped prepare or worked the tent during fun weekend. You ladies are awesome!

Looking ahead to August 8th. We could not be more excited for this year's Tricky Tray! Dee Abbate-Fetzer has been working all year on this year's event. We have some really amazing prizes so be sure to get your tickets early!!
