The ILCC Centennial Celebrations committee needs your help:

We would like your family's history in Indian Lake! We already have published stories of Bob Gantert and Dottie Flynn. Now we want the rest of yours! How and when did your family come to be in Indian Lake? What did they do to help Indian Lake become what it is today? What are your favorite traditions or memories involving the lake?
No history or story is too small!

If you would like us to interview you and type it down please email us at: indianlake100@gmail.com and we will arrange a meeting!

We are also looking for ILCC memorabilia, documents & pictures to scan to add to our collection to showcase the ILCC's history and rich story!
Please email: archiveilcc@gmail.com with copies or reach out to Heather Kemp and she'll help you. Thank you for helping to add to our collective history and 100th anniversary celebration!

PRESIDENT'S MESSAGE

Hello ILCC Members,

I hope you all had a wonderful holiday season and a Happy New Year! I am looking forward to a great 2024 and the kickoff to our 100 Year Celebration! It is truly a blessing to live and be able to participate in all the activities our great community offers! Please pay attention to Wednesday emails and other events the Centennial Committee has in store for us. There are too many to mention here, but hopefully you found the January 19th Opening Night Party fun and interesting.

January usually brings a chance for us to get out and ice skate on our beautiful lake, but I would like to remind everyone to do so safely. Indian Lake is man-made with water continuously moving under the ice, and that movement can affect the thickness of the ice in different areas of the lake. One area may have very thick ice and be perfectly safe for skating while another area not far away may not be as thick or as safe. This is why it is particularly risky to skate after dark, and you should always stick to the buddy system (never skate alone) and to areas you have determined are thick enough. Keep in mind that it is impossible for the Board of Trustees to say that any area of the lake is always safe for skating which is why our policy is that members are always welcome to skate on our lake, but they

do so at their own risk. We also have a strict policy against drilling into the ice. Doing so makes it even more dangerous to venture out onto the ice. Ice fishing is also not permitted on any portion of Indian Lake! The ILCC Board also maintains a policy that no form of mechanized devices, such as ice boats, snowmobiles, etc, are

ever allowed on our lake! It's just too small for such devices to mix safely with skaters. So, I encourage all ILCC members to enjoy Indian Lake at her winter's best, but please make sure you do so with caution and common sense.

We hope that Mother Nature cooperates and allows us to have the Ice Regatta again this year. It's truly a great event for all members filled with ice skating races, a roaring fire pit and much more! We do plan on hosting numerous other events this year and trust that the everchanging environment allows us to do so.

If you have an idea of how we can provide additional support for any of our members, or any ILCC resident for that matter, please do not hesitate

INDIAN LAKE FAMILY CLUB NEWS

The holidays are wrapped up and we're underway into 2024. A huge thank you once again, to the Men's Club for donating a Christmas Tree for the gazebo and helping us make more traditions on the lake. This past Holiday season, with your help, our community was able to donate food and supplies to those in need via Denville Social Services. Thank you Cara McCloud for spearheading this initiative.

We're currently working on our events calendar for the year, and would LOVE to include your event ideas or events that you may have run last year.

As always, we are looking for volunteers to help run and head up our fun events. Without our volun-

teers, we cannot host events and fundraise for the lake. Please be sure to reach out if you are interested in hosting or helping with an event!

We may be hosting a family-centric art event this month. For now, be sure to join Tot Time every Tuesday 9:30-11:00am at the Clubhouse and keep an eye out for event updates on our Facebook Group.

INDIAN LAKE WOMEN'S CLUB NEWS

Happy New Year to everyone from the Women's Club. We hope you all had a fabulous start to 2024. It's February, an action packed month for sure! Groundhog Day is on February 2nd, Mardi Gras is on the 13th and of course this year we have an extra day with Leap Day on the 29th. With this extra day, there is no excuse for us all not to take part in Random Acts of Kindness Day which is on Saturday, February 17th. You might want to take this day to pay it forward (pay for the next person's coffee) or just smile at someone on the street. Maybe you could admire someone's sense of style or glasses. Whatever you do, don't forget to do something randomly kind on February 17th.

The Women's Club also has some exciting events happening in February. First up is our Girls Night Out event, Line Dancing at the Clubhouse on February 1st. The cost is \$17 and the doors open at 7pm. Get your tickets at: www.indianlakenj.com/girlsnightout. There will be a cash bar and prizes for the best outfit and the best boots. This event is always lots of fun, so come down and join us.

Bunco anyone?! We are holding a Bunco night at the clubhouse on February 23rd. Doors open at 7pm and play starts at 7.30pm. You do not need any experience to play. The cost is \$15 or \$18 for non-resident guests. Cash only will be taken at the door. Bunco is always extremely popular and you have to reserve by February 21st to play. Email Maryanne Fisher @ maryannefisher28@gmail.com. Please bring an appetizer to share and there will be a cash bar.

New Year, New Committee. We are pleased to announce our new team: Tracy Milne- President, Deanna Critchley- 1st Vice President (ways and means), Katie Nagle- 2nd Vice President (membership), Leah Horky- Recording Secretary, Rhona Furey- Corresponding Secretary and Anne O'Brien- Treasurer.

We would like to take this opportunity to thank our outgoing committee- Joanne, you were an inspirational leader, your service was appreciated and you will be missed dearly. Thank you to Kathy as well for everything that you did. Dee, thank you for stepping in to fill the gap for us in 2023. We couldn't have done it without you! Thank you also to Leah and Anne who are continuing their current roles for another year. Your consistency and fun attitudes make every meeting and event extra special. We'd also like to thank our additional committee members who work tirelessly in the background during the year; Linda Lash, Lisa Hanson, Laura Carpenter and many many more. We appreciate each and every one of you.

We're looking forward to a very exciting 2024 full of fun events and collaborations with other subclubs. If you're not a member already, now is a great time to join.

Warm regards, Rhona and your Indian Lake Women's Club

INDIAN LAKE MEN'S CLUB NEWS

Hello Indian Lake!

We hope you and yours had a great Holiday season and your 2024 is off to an awesome start! What an exciting time it is in our community celebrating our Centennial year here in Indian Lake!

After a very busy December, January was a relatively quiet month for the Men's Club. We held a potluck party to watch the AFC and NFC Championship games. It was a fun time getting all together to watch some football.

In February, the Men's Club will be hosting our 2nd annual indoor Cornhole tournament at the clubhouse on Saturday February 3rd. Open to all ILCC Members! We'll also have the shuffle board and dart boards open. Make sure to sign up to join the tourney or just show up to watch! (Doors open at 6pm. 21 and older only)

We'll also be hosting a Super Bowl party on Sunday February 11th. It will be a cash bar and bring your favorite side or snack to share! We'll have the projector screen set up to enjoy the big game! This event is open to the whole entire family. Let the kiddos entertain themselves while you watch the game!

All these fun events are made possible by the good group of guys that volunteer their time to make them happen. Our next Men's Club meeting will be Monday February 5th at 8pm. Whether you're a regular at our meetings or you've been thinking about joining, I hope to see you at our next meeting. Getting involved is a great way to give back to our community and we definitely have some fun along the way.

See you around the lake -

Tom Furgal
