President's Message

Greetings ILCC members and residents of Indian Lake!

FINALLY! The warm weather is here, the lake is liquid again and the ILCC is springing into life in preparation for another spectacular summer season.

The Board of Trustees, in conjunction with our Sub-clubs, is working hard to get our facilities ready for all the fun of the summer months. Property Trustee, Jack Doran, is once again quarterbacking our work weekend, coming up on May 16th and 17th and will be counting on you to give us some of your time and talents by volunteering to work on the many projects we must get done for the summer. One project in particular will be to finish landscaping the former tennis courts area, so that we will have a lush, green lawn area available to us to use for various purposes this summer and to improve the appearance of the clubhouse grounds!

Speaking of our wonderful family of Sub-clubs and committees, I know that all of them, including the Aquatic Club, Beautification Committee, Men's Club, Women's Club, YPL and others, are planning now for their various summer activities. Without the huge amounts of time and effort the members of these great organizations donate to complete projects and raise money for the Club, the ILCC would face even greater challenges to its operations each year! So on behalf of all of us, thank you to all our Sub-clubs and committees! Keep up the good work!

Coming up on June 6th is the Board's annual Spring Cocktail party for members and those considering membership! It's always a great time for us to reconnect after the long winter and for those considering joining to learn about the incredible benefits of an ILCC membership. Again this year, we will feature boat tours of the lake that evening for any of you who've never had the opportunity to see our beautiful community from an 'on the water' perspective.

Speaking of membership, your application is included in this Crier. If you have any questions or need to talk about a payment plan, please call me or Kari Gribbon and we will work with you. But, please, make the commitment to the success of our great community and join as a member! And if you are not planning to join, at least make your fair share upkeep investment in this community that adds real value to your property! Let's put a significant dent in the number of freeloaders riding on the backs of those of us who join and/or make our fair share upkeep investment each year!! Truly, we all benefit greatly from living in such a lovely lake community. We only ask that everyone do their part.

In closing, this is an election year and all of us will have the opportunity to go to the polls in the June primary election to vote for a slate of candidates for Mayor and Council who will then be on the ballot in the November general election. You need to know that since first taking office, Mayor Tom Andes has been a tremendous supporter of the ILCC and has worked tirelessly with myself and the Board on various projects including the long overdue repair of the retaining walls along North and East Shore roads. It is for that reason that I am endorsing Mayor Andes and his slate of council candidates, Indian Lake's own Stephanie Lyden, Nancy Witte and John Murphy and I ask that you go to the polls in June and cast your vote for Mayor Andes and this slate for Council so that we continue to have a Mayor and Council who are friends of the ILCC.

Happy Spring, everyone!!
