President's Message

Greetings ILCC Members and Indian Lake residents!

By the time you get to read this message, we will be well into our 2016 Summer season with our wonderful July 4th celebration just ahead of us and Fun Weekend right around the corner. Even the event that traditionally marks the end of our summer season, King and Queen Weekend is coming into view on the not-so-distant horizon. I hope that all of our members are taking advantage of and enjoying all the things that make the ILCC such a special organization to be a part of this time of year.

One of my favorite ILCC member benefits of the summer season has always been our boating privilege. I've been a boater for my entire time in the ILCC and have many hundreds of happy hours water skiing, tubing and just 'putting' around our beautiful lake. So, it is a special pleasure to introduce to you our newest Trustee, Jeff Pelliconi, who was on the Board some years ago and is rejoining to serve as our Boats Trustee. I served in that capacity for many years and know better than most what a big and important job it is, so I am thrilled to have Jeff back on the Board in that role.

Of course, the reason for this change is not without a bit of sadness in that our current Boat Trustee, Charlie Weldon, has let me know that he will be retiring from the Board after our September Annual meeting. Charlie has been a fixture in Indian Lake for more years than I am allowed by him to share with you. He is a Past President of the ILCC and probably our longest serving member on the Board of Trustees. He will be missed by this Board, and all of us in Indian Lake, non-member property owners and members alike, owe him an incredible debt of gratitude for his years of selfless service to the ILCC specifically and the Indian Lake community in general. With Charlie and myself stepping down this fall, there will be at least two openings on the Board which represents a great opportunity for some of our newer members to step up and fill these leadership positions that are so critical to the success of our organization. If you have any interest in being considered please contact our Election Committee Chairperson, Ron Toffolo, and let him know of your interest. He will be happy to take your information so that you can be considered when elections are held to fill these open seats on the Board in the fall.

In closing, I want to thank all our members and those new to the lake who attended the Board's Spring Cocktail party last month. It was a great opportunity for me to say a personal thank you for all the support I've received as President of the ILCC. I also want to thank those of you who have made the investment and joined as members this year! Without your commitment, none of the things I've talked about would be happening this summer. And I also want to thank the growing number of you who, although you have chosen not to join as members, have made your Fair Share Upkeep investment! You have my appreciation and respect for doing your part to support the financial health of the Indian Lake community that benefits you with higher values for your properties than the values of similar non-lake community properties in Denville. By the way, if you're still on the fence about joining as a member or making your Fair Share Upkeep investment, please give me or our Membership Trustee, Dan Sforza, a call and we'd be happy to talk with you in more detail about the benefits of membership in the ILCC and the importance to your property values of having a healthy and vibrant ILCC in operation here in Indian Lake.

Best wishes to everyone for a great summer here in beautiful Indian Lake, particularly our members who get to enjoy all the benefits of being a part of one of the greatest organizations I know- The ILCC!

Indian Lake Men's Club News

Happy Summer and with summer comes one of my favorite lake functions, Fun Weekend! Stop by the Men's Club sponsored beer tent for \$10 beer bands, steamers and enjoy that cold one in our new 16oz. Fun Weekend beer mugs for only \$5 more. Beer bands will need to be purchased each day and are per person. For those that only want one or two frosty beverages they can be purchased for \$2 per, we will also have refreshing shandy on hand (lemonade-beer) like in years past. Sounds good doesn't it? All we need now is sunshine and 85 degree weather to top it off.

As always we will have our Annual Labor Day picnic/softball game where the ILCC Men's Club will do their best to defeat the ILCC Men's Fast Pitch Softball team. First pitch will take place 10AM at Gardner Field, BBQ picnic to follow back at the clubhouse where the Men's Club will provide burgers, hot dogs and beer on their newly purchased grill.

Don't want summer to end? Then join us for our annual golf outing on Friday, September 9th at Bowling Green Golf Club. It's a great morning of golf followed by dinner at the clubhouse. All lake members and guests are welcome to join the event. Lets see if we can top the 82 golfers we had last year! For those interested in sponsorship please contact us at indianlakemensclub@gmail.com for additional details.

One final note, the July Men's club meeting will be held on Tuesday July 5th.

Have a safe and wonderful start to summer!

-Michael Simone, ILCC Men's Club President
